Dedicated to Dilla Tucker

We give honor here today;
An instructor who enjoys teaching
Though not just for the pay,
But for the love of all her students,
And that their lives may be more true
She gives much of her greatness,
To help both me and you.

As a teacher of good English
She rates as for the best.
If we listen and we study
We will pass every test.
In literature and in writing
She always has excelled.
And in the field of drama
She coaches and acts as well.

We thank Miss Tucker
For our Future Teachers, too,
That she organized this club
There is much honor due.
She is gracious, always smiling
Full of faith, and cheer and zest.
For all this, we salute her.
And wish for her the Best.

BY J. WALMSLEY.

Message To Graduates

I wish to extend to each member of the graduating class of 1953 my sincere congratulations and to express my confidence in your future welfare. That confidence is based upon my observations and contacts with you over the past six years. As I have watched you at work and at play during those years, I have noted with approval your enthusiasm, your wholesome friendly attitude and your seriousness of purpose. You have grown, both physically and mentally. It is well. The road ahead will not be easy and you will need all the strength and ability you have acquired. Some of you are already in military service, others will follow. Some of you will enter industry and some will go to college. Whatever you do and wherever you go, may the lessons learned in Nampa High School help you to achieve success.

FULTON GALE.

Hi Helen
Lots of luck to
one nice kid. Remember
all the Bonnie Boner
had.
Lots of luck

Message To Graduates

Congratulations to the Senior Class of 1953. Each graduate deserves some part of the credit for the accomplishments of this class through the years. Your class has been average in some fields of endeavor and outstanding in many others.

The opportunity for academic, musical, literary and athletic advancement has been available to all of you. Many of you have taken advantage of these opportunities to the greatest degree. Your future successes will depend, to a large degree, upon the manner in which you have taken advantage of these and future opportunities.

Whatever you choose for your life work, we hope you will consider your vocation worthy, and take pride in serving society well. We hope you will be proud to take your place as a citizen in the Community which has given you the opportunity to grow in the field of your choice.

The faculty and administration have benefited greatly by their association with you. We extend to each of you our best wishes for a successful, pleasant, worthwhile life.

HARRY C. MILLS.

Senior Class

Piloted through their final year by Marvin Blickenstaff, Wayne Crill and Norma Stratton, the seniors maintained their reputation for being outstanding school supporters. The winning of the noise rally, placing second in class competition for basketball and numerous pep rally skits were only a few of this active group's accomplishments.

A remarkable amount of the athletes in this class was varsity sport material in their sophomore and junior years. Out of this same group came several district champions in the various sports and speech activities for three consecutive years.

The successfulness of their Junior-Senior Prom depended largely upon the capable handling of co-chairmen Janean Platt and Marvin Blickenstaff, but was backed superbly by the extensive cooperation of the entire class.

Under the sponsorship of Willard Gavin and Annie Laurie Bird, the students wound up an outstanding high school career by their presentation of a thoroughly successful senior assembly directed by Wayne Crill.

Junior Class

Holding down the position of the middlemen we find this year's group of Juniors doing a job well-done. Choosing the motto, "If We Can't Do the Great Things, We'll Do the Small Things in a Great Way," they proved their determination by coming in second in the noise rally. The colors gold and blue and the class flower they chose showed their good taste as they worked their way up higher on the ladder of success. Students elected to class offices were: president, Fred Grant; Bob Nelson, vice president; secretary, Joyce Young. This able group was under the advisorship of Helen York and C. O. Samuelson. Carol Larsen and LaDonna Nafziger were chosen as co-chairmen for the Junior-Senior Prom this year. One of the varsity yell leaders, Alva Fae Caldwell, is a member of this mighty junior class, as well as a large number of the players that took part in all varsity sports. Claiming first place in class competition at assemblies, we salute a swell group of enthusiastic students.

Dear Helen,
This marks the end of two years of school together. We've had lots of fun haven't we? Just one year to go and I know we'll enjoy it. I know you'll never forget our government class. How could you? Maybe we can take up that offer of Mr. Cockrons and go up to his cabin this summer. Best of luck and success.
Love, Ann Easton

Dear Helen,
Lots of luck to a swell girl. I have enjoyed being in English and Bookkeeping with you this year. I'll see you next year.
Love,

Sophomore Class

New to the halls of Senior High were the "Sophs of '53" who have been a brilliant addition to our school. Students were spurred by the shining leadership of Chuck Eckery, who won the honor of prexy. The vice president position was capably occupied by Corky Hill, and Colleen Reed efficiently performed the duties of secretary. Living up to their class motto, "Forward Ever, Backward Never," they are forever moving onward. For class colors, blue and white were chosen, and the white carnation was selected for the flower. With many favorable suggestions in all meetings, Harry Gross and D. W. Bedinger are to be congratulated for their beneficial support. Heading the staff for the sophomore magazine, "The Green Years," this year were Kenny Rogers who was elected editor, and Dorlene Hammon, who acted in the capacity of business manager. Material for this magazine was written and contributed by this outstanding group. Standing behind their cheer leaders one hundred per cent they showed spirit and pep at assemblies and at the games. Their Sophomore basketball team, well supported by the class, rolled to victory to be tops in their field. Holding high their banner of green, these sophs have contributed a great deal to the welfare of the school.

The Nampa High A Choir, under the indefatigable leadership of Dallas D. Quick, is one of the most outstanding high school choirs in the Boise Valley. With its purpose to learn and perform the world's greatest music in a manner pleasing to the public, it has presented two programs in Boise's St. Michael's Cathedral. In January, the group put on their rendition of a festive Mardi Gras including songs, costumes and dances. A major work presented by this busy group was "The Peaceable Kingdom" by Randall Thompson. They also participated in the annual Christmas program, and four of the five Concerts of the Month. Don Wisely was elected student director of the choir this year and Ted Hess presided over the group.

A and B Choirs

Under the direction of Dallas Quick the B Choir helped make the Welfare Jamboree and Mardi Gras a success. They participated in the Thanksgiving game and also made a trip to Emmett in March to attend the district tournament. This year finds the largest class ever to be had in the history of Nampa High. The group of choristers chose for their capable leader, prexy Kathleen MacDonald and her assistant vice president Sally Beumeler. Bruce Harmon served as scribe for the club. The choir can readily term this year as a very successful one.

Under the direction of Dallas Quick this hard-working group of music enthusiasts practiced several noons a week throughout the year to provide entertainment for all who had the pleasure to hear them. One of their biggest accomplishments was their humorous rendition of the song, "Nothing Like A Dame," sung at the choir's annual concert, this year titled Mardi Gras. Membership in this organization could be obtained through participation in any of the other vocal groups. Tried for the first time this year, the successful body of male singers will be a definite part of Nampa High's music department.

Boys' and Girls' Glee Clubs

To give the girls a chance to sing and show what they have learned at different performances is the duty of the Girls' Glee, under the guidance of Dallas Quick. It is open to sophomore girls who are chosen to belong, and also any upper classmen. Elected at the beginning of the year to head the class were president, Colleen Arent, vice president, Kaye Mitchell and secretary, Delores Dalton. In April the Girls' Glee journeyed to Emmett to attend the Spring Festival. This was one of the most interesting events of the year. The club learned "Ceremony of Carols" by Benjamin Britton, which they sang with other Christmas Carols during the holidays.

Heard many times during the past year at various civic organizations and musical programs was the Nampa High Madri-Gals and Guys. This group of sixteen from the A Choir performed light music for the enjoyment of all. This hard-working group met for their rehearsals on Friday noons at which time they practiced to increase the group's repertoire. The club had its origin four years ago with Dallas Quick, director, who is still their leader. During the holiday season, the Madri-Gals and Guys performed a group of carols at the annual Christmas banquet for the teachers. Efforts of the group were rewarded, for their performances during the year were received very well.

Madri-Gals and Guys and Orchestra

Under the direction of Charles Wilson, the Nampa High Orchestra meets each morning in the music room. The capable Mr. Wilson acquaints the young musician with fine orchestral music which does much to develop the player socially. The enthusiastic players studied many classics, and for the lighter side they played various pieces such as "Blue Tango." One of the big events of the year was the Orchestra Concert held December 5, which included string ensembles, guest soloists, two piano numbers and many other groups which placed it among the outstanding events of the year. Also in March, the Orchestra and "A" Choir gave a combined concert. They accompanied the Mardi Gras and the Welfare Jamboree.

Marching for all home football games, participating in the Big Six Music festival, and producing the Band Wagon show were only a few of the activities in which this group was engaged this year. President Duane Wolfe and capable director, Earle McKeever, were very largely responsible for the band's success this year. Major works performed this year were Beethoven's Coriolan Overture and the finale to Dvorak's New World Symphony. At the Armistice Day football game they put on a half-time show with the Caldwell band. For the Thanksgiving Day game the band performed a religious ceremony with the choir and junior high school bands. The band helped add to the holiday spirit with their part in the annual Christmas assembly.

Concert Band and Twirlers

The colorful blue and white satin uniforms of these peppy girls add an extra attraction to the Nampa High School band. They accompany the band on all occasions, performing during the halftime at the football and some basketball games. Some other performances were at the Bandwagon Show, the District Music Festival, concerts, parades, and others. The talented Twirlers play a musical instrument in the band when not twirling. Joann Leavitt and Carol Thorne have been with the band for three years. Newer members are Barbara Tiegs and Margie Gibbons. These girls take pride in doing a good job and are able to meet competition at any time by their sparkling performances.

Pep Band

This year's twenty-five members of the Nampa High pep band have just finished a commendable job of providing added zest to our pep assemblies and basketball games. Wayne Crill was the director of this active group and held morning rehearsals three times each week. A special project for the organization this year was the production of a pep band show. The proceeds from this went for the payment of a pep band trip. The chief responsibility of this group was the playing at every home basketball game at which the familiar strains of our fight song and "Hail to the Varsity" were heard. Assistant directors were Donald Wisely and Jim Mercer.

SAGE

JANET WALMSLEY, Business Manager.

The "mad-rush" from October to March, of collecting pictures, selling Sages, writing stories and handling business resulted in the output of this year's Sage. Through the co-operation, time, patience, good judgment and efforts of the Sage staff, plus the perserverance of Norma Hilty, editor, and Janet Walmsley, business manager, this edition was made possible. The staffers not only worked but enjoyed social affairs as well. The annual banquet was held in Boise where the "54" staff leaders were named. Also many parties will be remembered, such as the Garage Party. The Sage staff was responsible for the annual Sweetheart Ball. Highlight of the dance was the crowning of the sweetheart King and Queen.

NEXT YEAR—
ANNE KEIM

Under the able guidance of Bill Mainwaring as first and second semester editor, and Lillian Baker as business manager, the Growl was published each Tuesday, third period, with very few exceptions. The advisor was witty "Mike" Bodahl. The purpose of the Growl is to put forth news and opinions for the improvements of the school and its morale. Also to train students in journalism. During the year, Growl sponsored the Lettuce Bowl dance, a banquet for its members at Christmas, a spring picnic, a field trip to the Boise Statesman, and the journalism conference at the University of Idaho in the spring. The Growl has received all-state Journalism rating for the last two years, also the International Quill and Scroll Award whenever the paper was submitted.

The local chapter of Sigma Chi Lambda, more commonly known as the Nampa Chapter of National Honor Society, was headed by Lillian Baker this year. Mr. Harry Mills was honorary advisor. The purpose of this club is to strive for high scholastic and moral standards, to promote worthy leadership and to render service. With Miss Mina Conrad as advisor, this outstanding club initiated new senior members at the end of the first semester and new junior members at the close of the second semester. These students were chosen on a basis of their own grade averages in comparison with the other members of their class.

Honor Society and Service Club

Members of the Service Club are recognized by their sweaters and bright red emblems. Under the guidance of Mr. Lenn Cruse, they are on hand to sell and take tickets and also usher at all athletic contests. The members are chosen as sophomores, by the faculty, on the basis of character and scholarship. Among their many activities are their Christmas Banquet which was held in Boise, and also the fall initiation and spring trip. The leaders this year were Jennine Platt, president; Leland Agenbroad, vice president; Alice Prohaska, secretary. This club was originated by "Doc" Caldwell in 1943. It is a big help and service to Nampa Senior High School.

Quill and Scroll, or Nampa International Honor Society for High School Journalism students, is composed of members of our journalism classes. These students have completed one year of work on either of the two publications of Nampa High School, the Growl, a weekly periodical, and the Sage, the school annual. Quill and Scroll is an honorary organization to which pupils who have an interest in journalism may belong. Some of the club's activities are the bi-annual initiations, which are formal and held in a private home, and a spring picnic. This year the club was capably headed by Bill Mainwaring. Mr. M. A. Bodahl served as advisor and helped the club in its purpose of promoting interest in high school journalism.

Quill and Scroll and N. F. L.

"National Forensic League is the honor society for students who earn outstanding points in speech or debate," quotes Mr. Matthews, the advisor for the Nampa society. The purpose of the organization is to support speech activities and hold regional and national tournaments. It has constantly won first place in the third district since 1939. During the year of 1951-52, the Nampa debators won the Interstate Speech Tournament. This year under the able leadership of Fred Grant, the club participated in the Western N. F. L. Tournament held at Great Falls, Montana. This club began as the Silver "N" and later, under the direction of Dilla Tucker, it joined the National League.

Being one of the largest clubs in N. H. S., the Y-teens again made 1952-53 a successful school year. They were headed by their capable president, Kiyo Goto, and sponsored by Mrs. Rycraft, of the faculty, and Mrs. John Brandt, outside advisor. Among their many activities during the year was a Mother-Daughter tea and a Last-Chance skating party. The Christmas season was given tribute by the Y-teens' hanging of the greens in the halls. One of the most worthy projects was the sending of chocolates overseas at Christmas, which were given to the Southern Korean children. We know that this club will keep up their good work in the future as they have in the past.

Y-Teens and G.A.A.

With Donna Kincheloe swinging the gavel, the Girls' Athletic Association again carried out its purpose, "To give all girls in Nampa High the right to participate in sports." One of their biggest projects was the adoption of new uniforms, consisting of white V-necked sweaters, blue skirts, white saddles and blue collars and socks. Also blue and white G. A. A. emblems were earned to wear on the sweaters. The girls took part in initiation last fall and enjoyed the play days held in the different surrounding towns. In order to raise money they sold candy and gum at all the home basketball games. Much of the success of this energetic club is attributed to Mrs. Julie Epperly, sponsor.

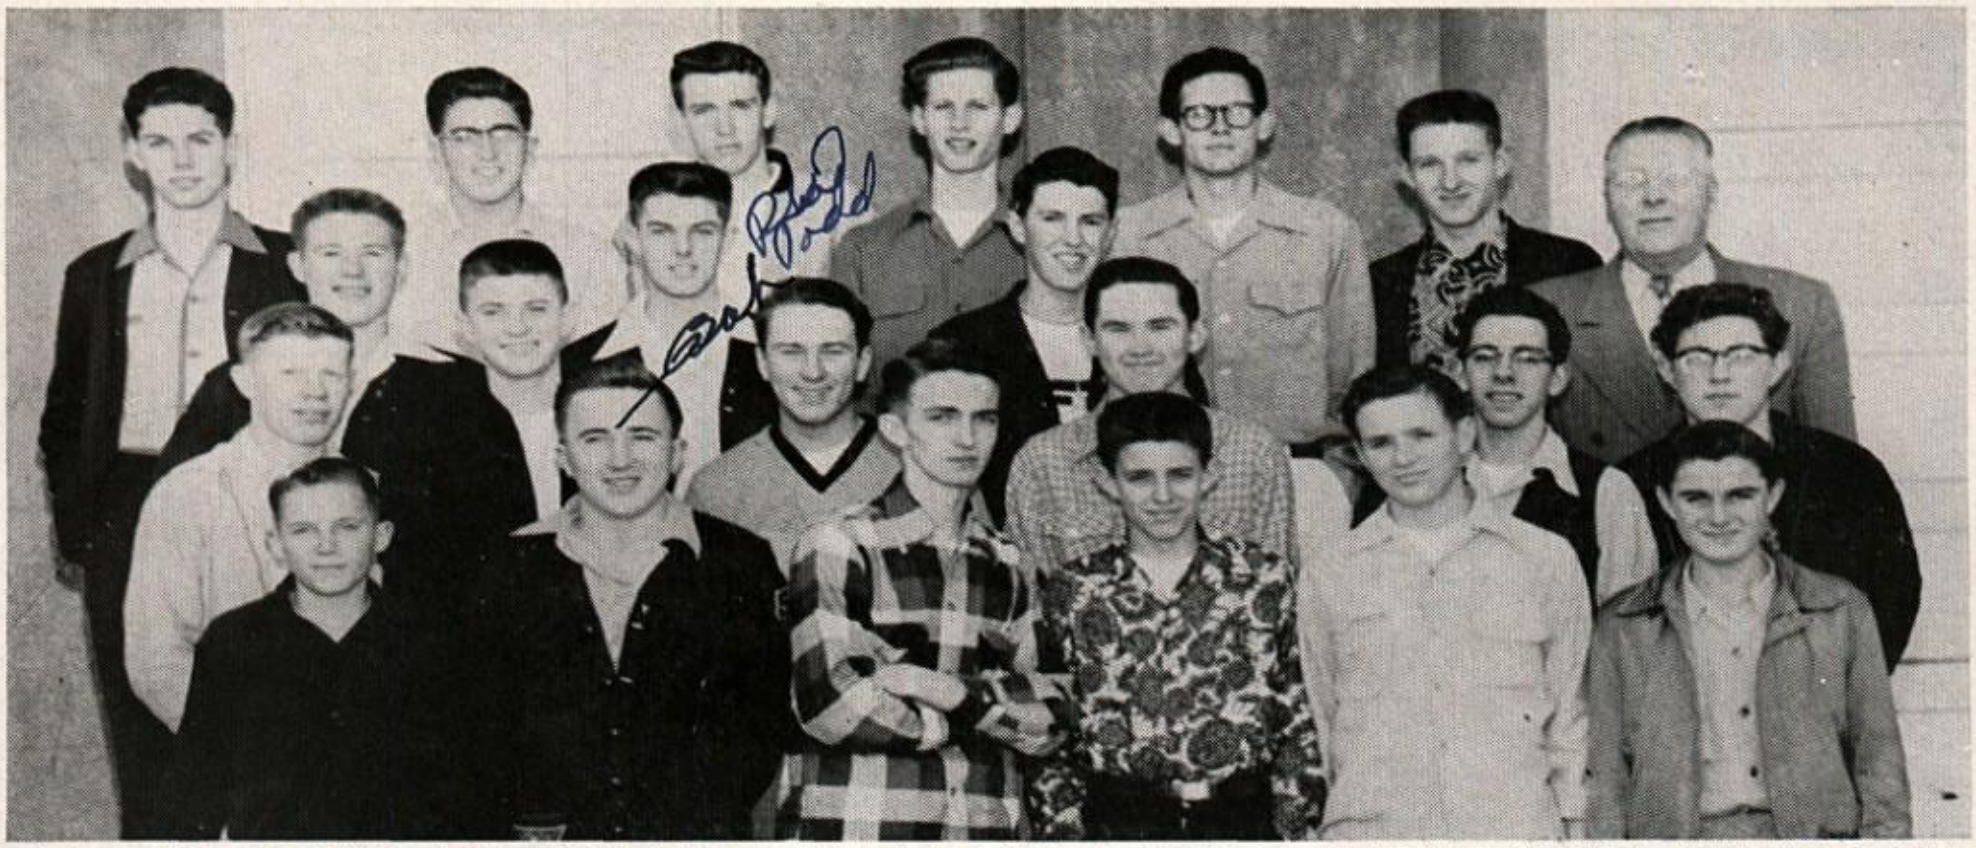
Sponsored by the Nampa Kiwanis, the N. H. S. Key Club had such activities during the year as an initiation at Lake Lowell, the placing of Christmas Seal posters, and taking charge of the noon Kiwanis program for the celebration of National Key Club week. This active club also took it upon themselves to try to organize the Utah-Idaho district in which there are 12 clubs. The Key Club was originated in 1947 and has as its purpose the betterment of the school and community in which they meet. Mr. Harry Gross acted as the advisor to the group this year.

Key and Hi-Y Clubs

The Hi-Y Club has just completed an active and successful year. They met every Monday noon and had night meetings once a month at a member's home. The club sponsored the Thanksgiving assembly at which Dr. Paul Pitman was speaker. Helping the Y-teens, they decorated the school with greens for the Christmas season. Also with this group, the Hi-Y boys collected and delivered a large amount of food for needy Nampa families. For money raising projects they gave after-game dances. This club is a branch of the Y. M. C. A. and they made monthly trips to Boise for recreation in the Y. M. C. A. there. The club was led this year by Jack Bilbao and Ronald Herr, and had C. O. Samuelson as advisor.



Back row, left to right: E. Hickox, J. Bilbao, P. Todd, B. Novasky, B. Bailey, D. Bower. Third row: J. Goettsche, R. Herr, B. Campbell, C. Samuelson. Second row: L. Goettsche, K. Hermann, W. "Act well your part, there all the honor lies." So reads the motto of the National Thespian Society under the direction of Guy Terwilliger. Presided over by Kaye Mitchell, the club meetings are held every second and fourth Thursdays, "to further the interest in dramatic arts." Membership in this organization is obtained by an accumulation of points pertaining to dramatics. The year's activities included the production of "East Lynne," and the comedy, "Down to Earth," presented exclusively by the Thespian group. The goal of each member of this club is to earn his school letter, which is distributed at the end of every school year. This same organization won superior rating at last year's District Declamation Contest.

Thespians and Debate Club

An interest in debate and the willingness to support the club are the main qualifications needed to gain admittance into the Debate Club, which is advised by Mr. Mathews. Some of the projects of this energetic group were selling book covers to the N. H. S. students and also selling coffee at the football games. The money made from these projects was used for their annual district and state trips. The purpose of this group is to raise money to support the activities of the club, such as debates with other towns. Winning four state titles in the past four years has been one of the many accomplishments of the debators.

Led this year by capable prexy, Darlene Thueson, the Future Homemakers of America did well in accomplishing their purpose of promoting an appreciation of homemaking and family life. There were over 100 ambitious members in the club this year. Some of the projects undertaken by the club were to serve luncheons, send Christmas boxes overseas, and also send sewing materials to Home Ec classes in Germany. The annual style show and tea, the F. H. A. District Convention in Caldwell, and the state convention in Boise were some of the many social activities. "Shine On Harvest Moon," was the theme of the F. H. A. Harvest Ball held Nov. 14. The highlight of the affair was the traditional crowning of the King and Queen, who were Clifford Bledsoe and Lila Baugess.

F.H.A. and F.F.A.

The Future Farmers of America originated in 1928 and has the purpose of developing agricultural leadership, cooperation and citizenship. The colors of the active club are national blue and corn gold. This year Roy Selves served as prexy, Jim Baune as vice prexy and David Ahrens as secretary. Mr. Kirk Rush advised the club and assisted the members on various projects. Some of these were to sell pop at all football games and selling Christmas cards to raise funds for the support of the club. The group co-sponsored the Harvest Ball and held an initiation for the incoming members.

Led by Pat Henry, F. L. S. has increased interest and knowledge in foreign languages and the countries from which they originated. The club is open to anyone who has had six weeks of foreign language. "He who speaks two languages is worth two men," states Mrs. York, one of the able sponsors. Miss Hagelin, the other sponsor of the club agrees that a foreign language study may be an interesting life-long hobby. With such enthusiastic sponsors the Foreign Language Society was bound to be a success. The club sponsored an informative window display for American Education Week. The big event, bringing the year to a climax, was the annual banquet, which was held in the spring.

F.L.S. and F.T.A.

Meeting the first and third Tuesdays of every month the Nampa High School Chapter of the Future Teachers of America, under the supervision of Miss Dilla Tucker, strove to project to its members the qualifications and conditions of the teaching profession. Presiding over the club's activities were Donna Rae Frost, president; Lynell Lewis, vice president; Marilyn Moulton, secretary; LaVonne Skalsky, historian. Open to anyone interested in the field of teaching, the group originally chose Dr. Lyle Stanford, the noted educator from the College of Idaho, as the club's honorary member and person to whom this chapter was dedicated. This year's successfully completed project was the establishment of future teachers as substitutes in the elementary schools.

The purpose of the Bowling Club is for health and entertainment. It is under the direction of the Girls' Athletic Association, with Mrs. Epperly as advisor. Each year the American Junior Bowling Club gives the girls on the champion bowling team a pin. Each March a tournament is held with teams all over the nation participating. Any high school girl that wants may join the Bowling Club. A small collection is used to buy each of the girls a medal. Before they can receive points at school the girls must bowl at least two-thirds of the games. The Bowling Club was organized in 1946 by Opal Thendleck, Physical Education teacher at that time.

Bowling and Machinists Clubs

Under the guidance of Joe Quinley as advisor, the Machinists Club held meetings every other Monday night in the Machine shop. The purpose of this group is to try to interest the boys in the different phases of shop work. Also to learn to use different tools and equipment. The club was originated by their advisor in 1944 and has been active ever since that year. The most outstanding accomplishment during the year of this skilled organization, whose president is Earnest Breshears, was the construction of the charger used by the Athletic department. Outside activities included a banquet at the close of the year and a visit to the B. J. C. Machine Shop and Olson City.

Senior and Junior Spiz

This active club, whose purpose is to promote pep and a feeling of good will, met each Monday in room 25. Under the guiding eye of advisor Mrs. Freda Wray, and honorary advisor Miss Annie Laurie Bird, the club sells hotdogs at the football games to raise money. With the guidance of President Betty Potter, this peppy club sponsored a banquet for the football team, a senior farewell banquet, a tea to which Boise and Caldwell's pep clubs were invited, a formal, various sport dances, and they also decorated the goal posts before the football games. They presented a skit at the football jamboree and a school assembly. The club originated in 1925 under the direction of Miss Bird. New junior members who gained membership into the club second semester and who are not pictured are: Hazel Beer, Barbara Walters, Joyce Young, Shirley Lenz, Donna Rae Frost, Norma Nichol, Kay Blickenstaff, Verdonna Dickerson, Louise Relk, Madelyn Wyatt, Sylvia Prewitt, Elizabeth Keim, Patricia LaLande, Peggy Turpen, Patty Webb and Janie Fillmore.

Knowlton, K. Harris, D. Maughn, D. Gunderson, D. McClung, F. Bennett, L. Mackey.

Blu-N, the club to which ninety per cent of all lettermen belong, is noted around Nampa High School for its famous initiations for new recruits twice a year. Other activities consisted of a pheasant feed, swimming picnic in the spring, and the Football Jamboree where the football queen was crowned. This year they were very conscientious in in raising money for the promotion of the club and spring sports by selling hats, decals, collecting dues, and putting on dances. It met the second and fourth Mondays of every month in Room 30 with David Hennessey presiding and Dean Lewis as sponsor. The club was originated in 1922 by the basketball team of that year and has functioned ever since.

Blu-N Club and Sophomore Magazine Staff

The Sophomore Magazine staff was selected by the Sophomore English teachers, Mr. Bodahl, Miss Hagelin, Mr. Mathews and Mr. Hodgson. The purpose of the magazine is to furnish creative talents for the sophomore students. Taking top positions on this year's staff are editor, Kenneth Rogers and business manager, Dorlene Hammon. The magazine is a very outstanding accomplishment of the Sophomore class. Material for it is taken from stories selected from the sophomore English classes. This organization is supported by the sophomores through their class dues. Mr. Robert Hodgson, sophomore English teacher, is the advisor of the magazine.

Back row, left to right: K. Rogers, M. Ward, A. Larson, C. Pilcher, S. Walsh, M. Moser, C. Eckery. Front row: J. Bodahl, M. Bruce, D. Hammon, A. Thomas, W. Messer, E. Bevington, R. Hodgson, advisor.

Combining work with fun, the Explorers Club sold pop corn at football and basketball games and took several overnight outings in the mountains. Also, the annual Stag Banquet was held and enjoyed by all attending. Two initiations are held each year in which the new members are acquainted with the more rugged features of outdoor life. The Explorers is a branch of the scouting program and was originated in Nampa High in 1938. The year is climaxed with a three or four day trip on which money earned during the year is spent for transportation and food. Marvin Blickenstaff presided over the club this year as prexy, with Webster "Doc" Caldwell serving as advisor.

Explorers and Science Clubs

To increase scientific interest among students is the main purpose of Science Club. Mr. Gavin, chemistry teacher, is the new advisor of the club. It was originated by Mr. Ludlow. Science Club is headed by prexy, JoAnn Leavitt. Other officers were Georgia Bice, vice president; Kay Bothwell, scribe; Janel Drake, sergeant-at-arms. Any student that is interested in Science may join. To obtain membership they must first give a five-minute talk on any scientific subject, and then they are voted on by the old members. During the school terms, trips are taken to parts of the valley that afford scientific interest. Money for these trips is taken from the club dues.

Football

Coach "Babe" Brown's Bulldogs of "52" won the Big Six Championship in an extremely good season by winning eight games, losing one, and tieing one. The opponents this year were from Montana, Oregon and Idaho. A great setback to the team was in the Pocatello game when Bob Hale fractured his leg, keeping him off the field the rest of the season. "Babe" reported this year more athletes received leg injuries than any other year he has coached in Nampa. The boys scored a 32-14 victory over the Grants Pass Cavemen, defending Oregon Champions, in the annual Lettuce Bowl game. Revenging their only defeat they walloped the Pocatello Indians, 15-7. The squad practiced long and hard for the annual "Turkey Day" clash with the Boise Braves. The Bulldogs out-played the capital city team, giving them all the football they could handle. The annual Football Jamboree was held Thursday, November 13, at the Adelaide Theatre. The Queen was crowned by the co-captains, Dave Hennessey and Don Ridener. The squad was entertained at a banquet sponsored by the Nampa Lions Club, December 2. The event was held in the Eagles Hall. The speaker was Bob Caccia from Idaho State College. At the close of the season, Don Ridener, Jack Newman, Dave Hennessey, Dale Beltz and J. D. Stephens earned berths on the Big Six All-Star Team.

Basketball

Smashing to success in winning the District Tournament by defeating Meridian, the Nampa Bulldogs climaxed a rather thrilling season. Under the expert coaching of J. A. Brown the team pulled out of a slow start to once again bring fame to the school. Starting with only six lettermen, Brown built one of the strongest teams in our state with Jack Newman chosen as captain. With the loss of only two home games the Bulldogs held a good, but not outstanding, chance, so it seemed, in the district tournament at Boise. However at the end of their final game they remained undefeated.

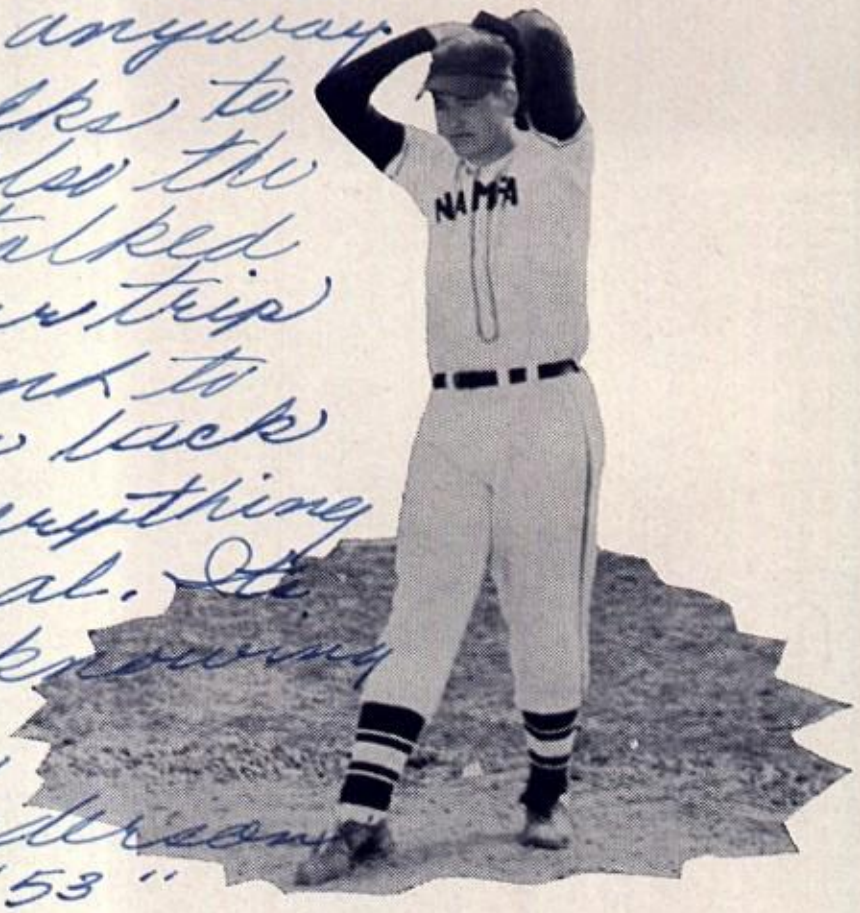
Baseball



J. NEWMAN, Pitcher

Climaxing the eventful sports season was the team of hard-hitting diamond demons. Jack Newman, Bill Bailey, Duane Peppley, Max Goin, Ron Zarbnisky, Don Romer were among the returning lettermen found on the field for spring training.

Veteran Coach Verl Thornock with his famous call to "play ball" gave the boys a workout which aided them in their victorious games. This popular spring sport at N. H. S. draws many a spectator to view the many games played.

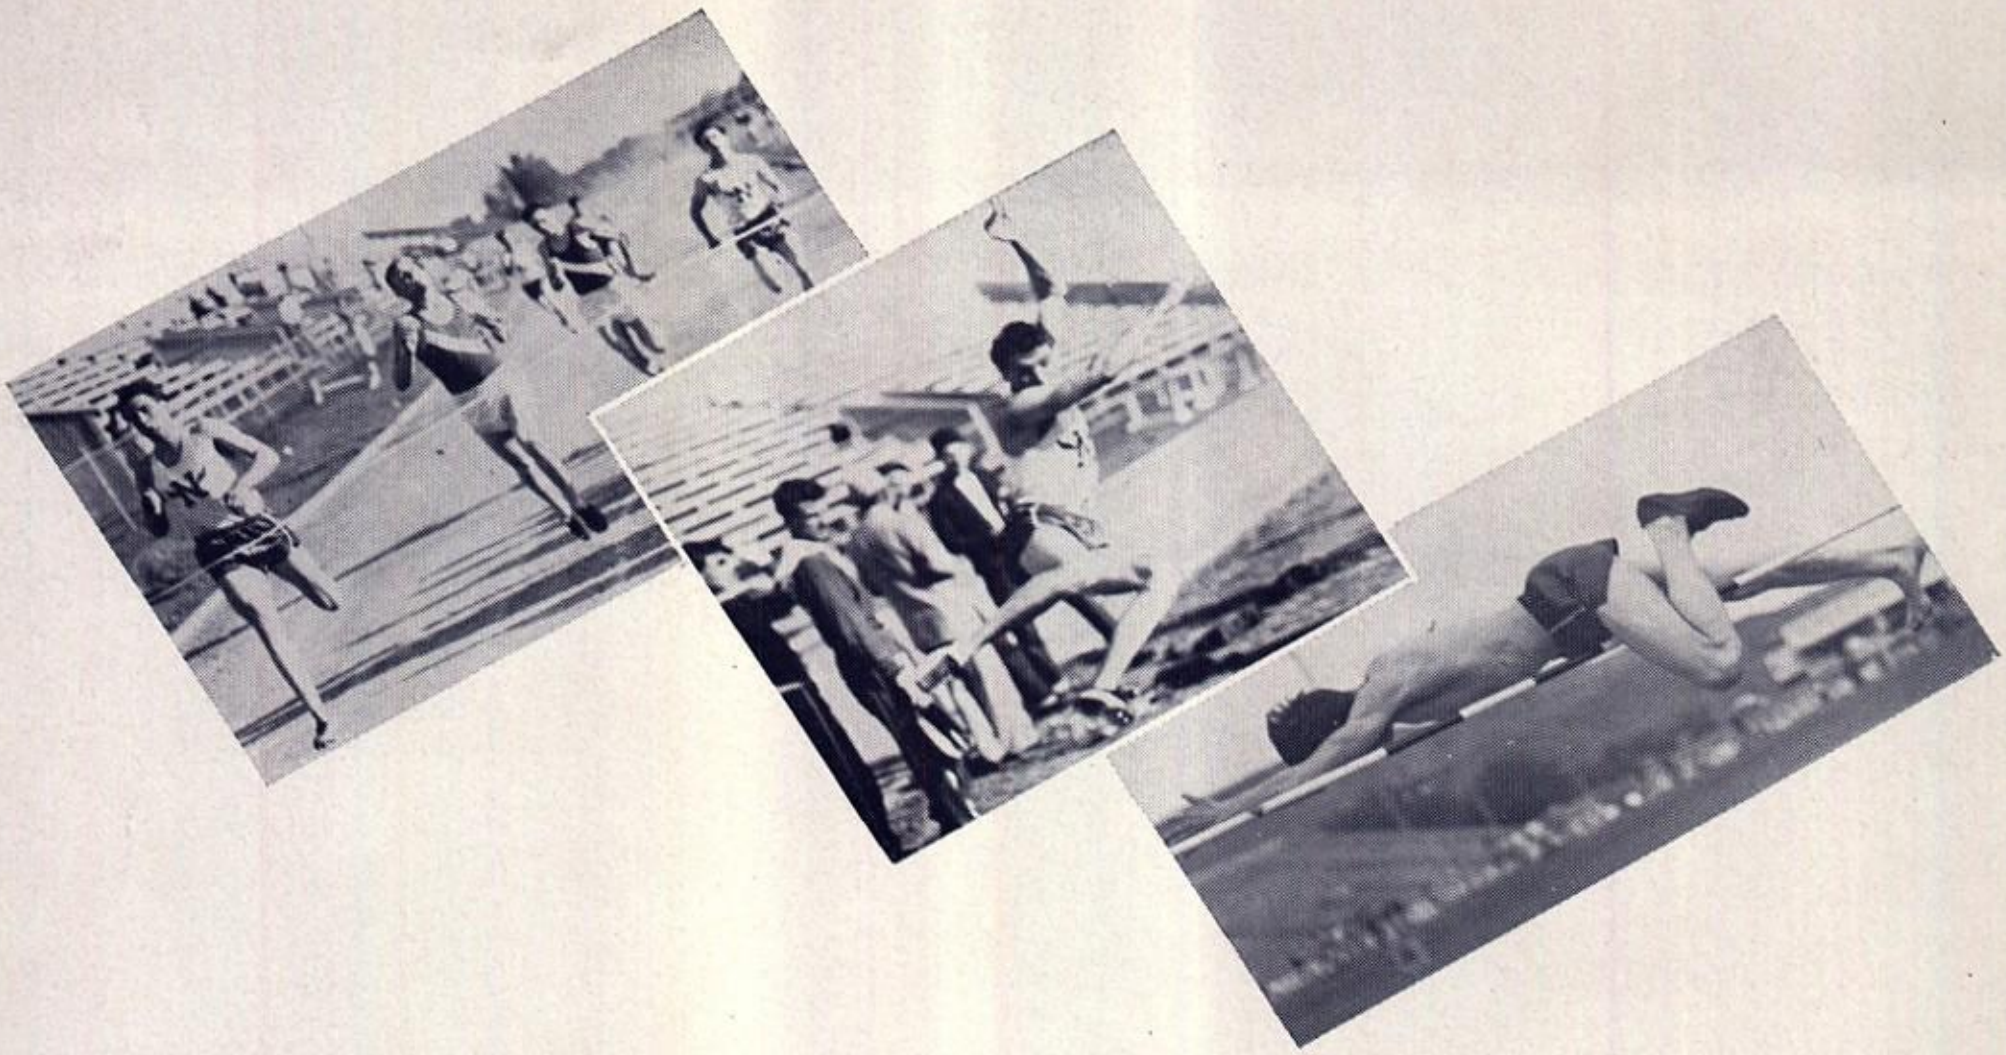
Beginning practice in the early part of March are the energetic golf players of Nampa high school. Among those oldsters at N. H. S. who play this exacting game are Tom Lindsey, Bob Simpson and Tom Murphy. The team mates that turned out this spring were Chuck Eckery, Jerry Steel, Don Jones, Bud Ellingboe and Bill Bailey. The team was much stronger this year than it has been for many years, and it was one of the few teams in the valley that had returning lettermen.

After sifting out the best racking talent in school by playing off competitive matches for approximately two weeks, Tennis Coach Julie Epperly escorted her team to make 1953 a year of successful victories for N. H. S. The team composed mostly of seniors and lettermen was furthered by the outstanding abilities of players Marilyn Knowlton, Lorraine Baltazor, Marvin Blickenstaff and Karl Hermann.

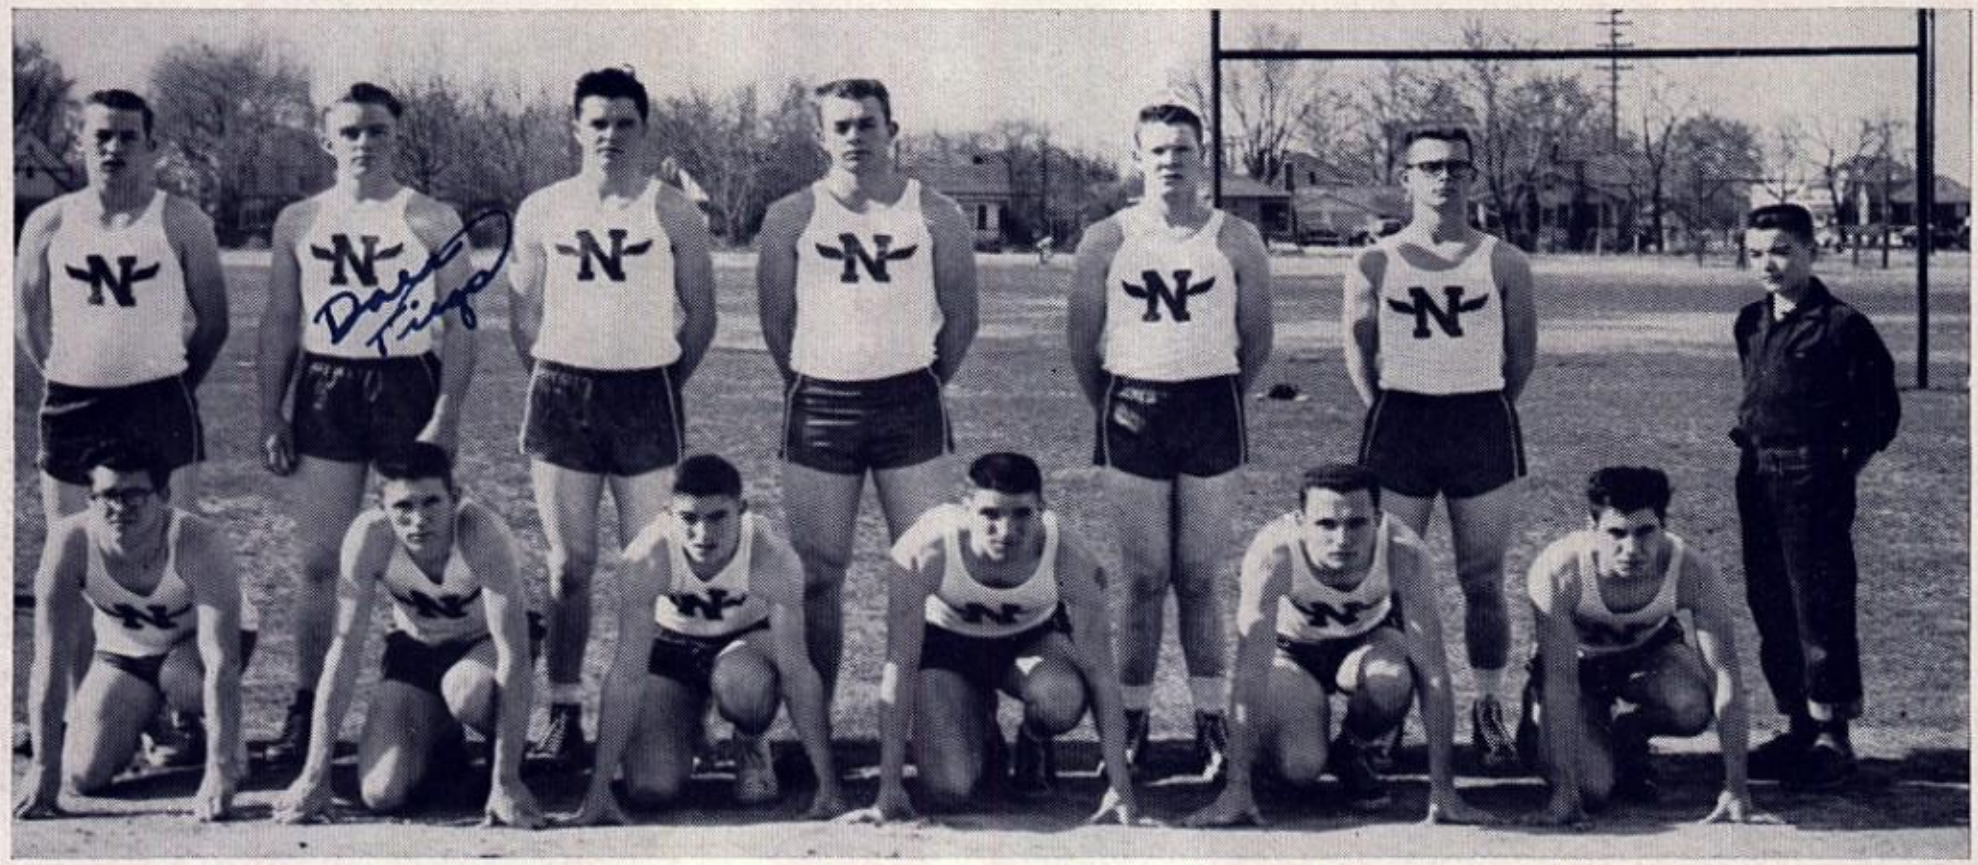
Tennis

Back row, left to right: D. Kincheloe, P. Schmit, K. Hermann, W. Crill, R. Herr. Front row: P. Lalande, M. Knowlton, L. Baltazor.



Track

Adding still another laurel to Nampa High School was this year's versatile track team. The return of several veterans in this particular sport highlighted the season with many exciting meets. Don Ridener, Buddy Van De Grift and Kenny Johnson were only a few of the outstanding athletes making the team's reputation as interesting as it turned out to be. Last year's rather amazing season and winning the Big Six meet may have counted for much of this year's confidence of the team but whatever the reason we would attribute much of their success to the capable coaching of Dean Lewis.



Back row, left to right: R. Ohrt, D. Tiegs, C. Bledsoe, L. Seal, J. Freeman, K. Mills, D. Gunderson. Front row: L. Mackey, D. Powell, R. Romer, D. Ridener, R. Zarbnisky, B. Van de Grift.

This year's team of so-called "greenies" proved that they could gain as much honor and glory as their varsity idols. Having a membership of fifteen, the group not only won seventy-five percent of their games but also succeeded in winning the Invitational Tournament held at the Northwest Nazarene College. They obtained the coveted trophy to prove their worth by the fact that the Nampa youths tied with Boise at the finish of the fourth quarter on the last night of the contest. Coached to victory by Verl Thornock, the successful team's starting line-up consisted of Fred Corey, Jack Hanway, Don Brandt, Val Toolson and Lorry Clark.

Sophomore Basketball and Football

This year's sophomore football team was one of the strongest in history. The over-all record was six wins and two losses. Prospects for next year's varsity are probably the best since the sophomore team of 1947. The team had just about everything a fine team should have—a set of fast, shifty backs, a heavy and hard charging line and a fine coach. At the end of the season ten players went up to the varsity to gain experience for next year. The team managers were Maurice Hilty and Mike Norell. All in all the sophomores had a fine season and congratulations are in order for the team and its coach, Verl Thornock.

Back row, left to right: V. Thornock, coach; H. Dodge, T. Lalande, C. Linde, B. Reed, R. Pooley, J. Vegwert, F. Towery, J. Acree, F. Corey, D. Baker, T. Paige. Second row: M. Norrell, manager; K. Boxing

Being definitely a one-man game, this year's group of leather-throwers proved themselves by adding almost a professional touch to the competition. When, at the beginning of the year, it seemed evident that boxing would be excluded from the school agenda the hidden appreciation of the sport came out. The schedule was finaly successfully launched through, and Nampa came through again under the veteran coaching of Dean Lewis and the inspiration of two-year district championship winner and team captain, Don Ridener.

The receivers of the Growl were many times favored by the work of its distribution by Jo MacGregor and RoJeanne Coyle and Iris McNees.

A bit of typical noon-hour entertainment was that of auctioneering off various young ladies. That job is being accomplished here by Dave Hennessey and Bob Nelson.

The Sage room was the scene set for the industrious lot that was known to be called the annual staff.

The band is seen here in only one of its many outstanding concert formations at an invitational college football game held in Boise.

A melodramatic success was the production of the famous play, "East Lynne." It was presented by the dramatic classes and was the fall production. With Barbara Mosier in the role of the delicate, charming and easily led astray Lady Isabella, the play proved to find justice for all. The manly hero, a country lawyer, Archibald, was vividly portrayed by Paul Hogan. The wicked villain, Jay McDonald, and Barbara Hale, Vonda Jones, provided enough triangles to put the geometry students out of business. Humor was added by barrels full of laughs at John Dill—Jerry Keuter, and the old maid, who made fun of him but later decided to be his bride, Kaye Mitchell. A matinee performance was given to students of high school and the play proved a fine financial as well as amusing success. With wigs and eighteenth century dresses, mustaches and side burns, top hats and tails—as well as very fine acting—made this play that will long be remembered.

"Down to Earth" was judged by many as the most outstanding Thespian performance of the year. It was presented n ithe true Thespian manner. The story evolves around two angels who, on a mission to earth, were pestered continuously by a mischevious would-be angel named Pilone. Janet Walmsley and Duane Tovey played the parts of the angels and Bruce Harmon took the part of Pilone.

The "celestial plan" was to take two elderly souls back to heaven. These mortals were portrayed by LaVonne Skalsky and Paul Hogan. The angels finally completed their task but they had to settle for two entirely different souls. They took back Bruce Harman and the maid, who was played by Norma Hilty.

Others in the play were Janel Drake, Norma Stratton, Sally Buemeler, Carlos Andrews, Sue Shurtliff, Jay McDonald and Jerry Keuter. Sterling performances were turned in by the actors and the production was enjoyed by all who attended.

to The Lovely Woman that "Opened My eye"

Dear Jo.

Well, here goes nothing, but I good at doing nothing.

You know the frist time I met you at ~~Silver~~ city, I never thought I'd ever get to know you so well. That is Until I started to school then I knew it would be different. Finally it happened, & now here we are sitting in the car together this day of "May 14, 1953". I'm wondering just how lucky can a fellow be. We'll have a lot of fun at the Rodeo in Jordon, "I hope." In those two days we ought to be able to really get to know each other. It'll be over though, to fast, but We'll have other places, Caldwell Rodeo, Nampa, Boise, Marsing, Homedale. all over We'll have great time, Maybe I might have to work but I doubt if.

Well Kid I'm running out of things to write. What Creta said about kissing I don't do it that way & if she don't believe it. I'll demenstrate.

But here's wishing the Best of Everything to the Most Wonderful woman I know

Yours forever,

Jim "Rooster"

Dear Helen,
You're not worth all these words. You know that because. I hope to see you this summer up at your ranch. Be good and don't take too many "french kisses" from Jim.

Sincerely
Ret of Baldwin

Oh Dear!
remember Spanish I
x mrs. York, how cooed you
forget, remember Homeroom
x acoche boring stories that
we had to listen to. I hope
we will all be seniors next
year. Good by - I hope
you have the best of everything
all of your life. See you soon
